

## 2025 KCRQF INFORMATION

Please “follow” KCRQF on the [www.kcrqf.com](http://www.kcrqf.com) website, on Facebook (Kansas City Regional Quilt Festival) and Instagram. This not only keeps you up to date but also pushes our information to other “quilty minded” folks!

**Judged quilt and mini-challenge entries will open in early Jan, 2025** Don’t forget that last Festival judged quilt spaces filled well before the deadline! Even with additional space for 2025, we expect the same to happen. **Entry information is already available on the website.**

**Classes and merchandise and tickets will follow in mid-Jan. 2025.** Every Festival we’ve had classes sell-out early—so be ready to purchase those classes once they open for enrollment! And this year, due to huge demand, we will have the **Early Bird Tours on both Thurs and Friday.**

**SPOTLIGHT QUILTER**—each guild will have a member (selection decision of the guild) representing quilting and their guild for a special collection feature. **(check the website!)**

**Guild Display Coordinator**—each guild will need to provide a coordinator for the selection and hanging of their own guild quilts.
